Re: Permission to use photo and/or video of student

Here at The Gift of Kids we take a lot of photos and videos of the kids during events, presentations, and just for fun. I am always updating The Gift of Kids Facebook and would also like to have permission to use a picture/video that may have your child in it. Most of the pictures are group pictures. I may also use these photos/videos for marketing purposes (you would be notified and asked if public).

Please sign and return
