Re: Permission to use photo and/or video of student

Here at The Gift of Kids we take a lot of photos and videos of the kids during events, presentations, and just for fun. We are always updating The Gift of Kids Facebook and would also like to have permission to use a picture/video that may have your child in it. Most of the pictures are group pictures. We may also use these photos/videos for marketing purposes (you would be notified and asked if public).
