

Spelling Activities

Please use wide-ruled binder paper for all activities except ones done on the computer.

You may use large sized graph paper for word searches or cross word puzzles.

1. Type spelling words three times each on the computer. Use different fonts or colors for fun.
2. Put the words in alphabetical order and write them three times.
3. Order the words from shortest to longest.
4. "Rainbow Write" the words by tracing over them in three different colors.
5. "Box" the individual letter of each word with tall and short boxes.
6. Use a dictionary to separate each word into syllables.
7. Choose 10 words and use them to create a poem.
8. Create a crossword using each spelling word. Here's a link...
