

ALUMNI SCHOLARSHIP APPLICATION

The Gift of Kids Daycare and Preschool Alumni Scholarship was created to celebrate and support the continued growth of the children and families who are or have been part of our center. We are proud to offer this scholarship to graduating high school seniors who once attended our program or whose families were members of our daycare community.

Watching our students grow from their earliest years into young adults ready to pursue their dreams is incredibly meaningful to us. This scholarship is one small way we hope to encourage and support the next step in their journey.

Scholarship funds may be used toward college, trade school, or other continuing education programs.

Note: Completion of this application does not guarantee a scholarship award. All information submitted will remain confidential.
